What the World Needs Now is Love

Music by Burt Bacharach

What the world needs now is love, sweet love,

It's the on-ly thing that there's just too lit-tle of. What the world needs

now is love, sweet love. No, not just for some, but for ev-'ry-one.

Lord we don't need an-oth-er moun-tain, there are moun-tains and

hill-sides e-nough to climb; There are o-ceans and riv-ers e-

nough to cross, e-nough to last till the end of time. What the world needs

now is love, sweet love, It's the on-ly thing that there's just too

lit-tle of. What the world needs now is love, sweet love,

no, not just for some, but for ev-'ry-one. No not just for some, oh, but

just for ev-'ry-one.
